Dear Frank:

On behalf of the Small Business Development Center (SBDC) hosted by the College of the Canyons, and the business community we serve, thank you for supporting the SBDC. It was a pleasure meeting with you and your team last week at your executive offices. Our goal is to continue helping prospective and existing business owners in northern Los Angeles County start, retain or expand their businesses.

The SBDC program is a cooperative effort of the private sector, the educational community and federal, state and local governments. SBDC's are an integral component of creating economic impact and wealth in communities throughout our country.

Funding from Bank of Santa Clarita will assist in providing more business workshops, one-on-one consulting, and many other resources to our local business community.

Frank, I truly appreciate your consideration to sponsor the SBDC. For your reference, I have attached the 2008 SBDC Sponsorship Levels. By assisting us with our mission to empower the spirit of entrepreneurship within every community we serve, you will not only be helping our organization grow, but also the businesses that need our assistance the most.

In closing, it is our sincere hope to expand our partnership with your business becoming a multi-year cash match sponsor of the SBDC. If you require additional information, please contact me at (661) 294-9375.

Sincerely,

Paul De La Cerda
