

Small Business
Development Centers
Los Angeles Regional Network

Los Angeles, Ventura, and Santa Barbara Counties

OUR VISION

To become the nationally recognized premier gateway to small business success and a major contributor to the economic growth and prosperity of our region.

OUR MISSION

Helping businesses succeed through management consulting, education and access to resources.

OUR VALUES

INNOVATION

We are dedicated to meet the rapidly evolving needs of small businesses by being adaptable and creative in all we do.

PARTNERSHIP

We believe teamwork and collaboration are the keys to organizational effectiveness and success with our clients and partners.

INTEGRITY

We are committed to honesty and ethical business practices. We celebrate the diversity of our community and ensure equal access to our services.

ACCOUNTABILITY

We meet or exceed our goals and commitments to our clients and funding partners, while promoting sustainable economic development for the community.

QUALITY

We set and meet high standards of quality by engaging in evaluation, learning and continuous improvement.
